How Men Use Language to Show Masculinity | Masculinity

Feminist linguistics has come of age. Yet, in more than two decades of research, male speaking patterns have largely been taken for granted. This is the first extensive account of men's language -- of male ways of speaking and of language in the construction of masculinity.

Language and Masculinity : Sally Johnson : 9780631197683

Masculinity, understood as a configuration of practice in everyday life, is substantially a social construction. Masculinity refers to male bodies (sometimes symbolically and indirectly), but is not determined by male biology. (It is, thus, perfectly logical to talk about "masculine" women, when women behave or present themselves in a way their society regards as distinctive of men.) To ...

Gender, Men, and Masculinities

The purpose of this writing is to understand men and masculinity in the modern world putting into consideration the sociology of masculinity, the social construction of masculinity, the crisis ...

(PDF) Understanding Men and Masculinity in Modern Society

This special issue of Gender & Language aims at re-thinking the linguistic/discursive study of masculinities in the light of recent theoretical debates that have arisen in conjunction with the not always uncontroversial volume Language and

Re-casting language and masculinities | Tommaso M. Milani

"Since the publication of Johnson's and Meinhof's book, Language and Masculinity, almost 20 years ago, this impressive collection is the first to focus exclusively on the interconnections of language and masculinities. The volume provides a state-of-the-art treatment of current developments in the field: informed by feminist politics and by queer theory, it both interrogates the production ...
