In one second love can consume you. It can be beautiful and yet so harsh, it's fierce beauty enrapturing us all. It is hard to explain the true meaning of love since it's beauty whether dark or light comes in a million shades. In this novel you will be bathed in it's million shades, your life written in it's pages. As I always say, Life is a game and love is the dice

A Million Shades Of Grey (2010) About book: I enjoy historical fiction especially about the Vietnam War (maybe because of my personal connection to that war). This story centers around a boy's love for his elephant and the challenges he, his family, and the elephants face when the North Vietnamese raid their village.
