Welcome to the book: "Statistical Methods for Machine Learning". I designed this book to teach machine learning practitioners, like you, step-by-step the basics of statistical methods with concrete and executable examples in Python.

### **Statistical Methods for Machine Learning**

<http://alex.smola.org/drafts/thebook.pdf>

This book provides an introduction to statistical learning methods. It is aimed for upper level undergraduate students, masters students and Ph.D. students in the non-mathematical sciences.

### **Introduction to Statistical Learning**

In computer science, online machine learning is a method of machine learning in which data becomes available in a sequential order and is used to update our best predictor for future data at each step, as opposed to batch learning techniques which generate the best predictor by learning on the entire training data set at once.
