Find out why OPTIMA® Batteries are the best superior performance, maintenance-free, dependable batteries for cars, trucks, marine and racing!

Best Batteries - Car, Truck, Marine | OPTIMA® Batteries

4 For outdoor recreational vehicles and marine applications sealed, maintenance-free batteries offer a convenient power solution for RV and boating applications.

Marine and RV - Trojan Battery

The lead-acid battery was invented in 1859 by French physicist Gaston Planté and is the oldest type of rechargeable battery. Despite having a very low energy-to-weight ratio and a low energy-to-volume ratio, its ability to supply high surge currents means that the cells have a relatively large power-to-weight ratio.

Lead-acid battery - Wikipedia
